Life's better under a SunSetter.

AWNINGS, RETRACTABLE SCREENS, AND EXTERIOR SOLAR SHADES

Welcome to your outdoor sanctuary.

Too hot or sunny to sit out on your deck or patio?

Enter SunSetter® retractable awnings. With almost 40 years of experience as America's most-trusted awning, we offer a simple solution that lets you not only beat the heat, but reclaim what's rightfully yours: your outdoor space.

4 ways to transform your deck or patio into an oasis

Go Platinum | 6

Say hello to the **Platinum Series**, our most premium line, featuring high-performance fabrics, an optional state-of-the-art semi-cassette for ultimate protection, and an industry-leading 10-Year Warranty.

Step Under a SunSetter® | 14

High-quality **SunSetter Series** awnings have all the custom features you want—without the custom prices. This is quality. This is value. This is what being America's #1 Awning is all about.

EasyScreens™ | 24

Enjoy privacy and protection at the touch of a button with SunSetter **EasyScreens** retractable screens, which block up to 99% of UV rays.

EasyShades™ | 26

Stop sun glare and heat from entering your home with retractable exterior solar shades. **EasyShades** exterior solar shades will help you stay cool and lower your energy bills—without obstructing your view.

Why SunSetter®?

- **Advanced technology that's easy to use,** including lights, wind and rain sensors, wireless operation, and home integration
- **Quality products** designed to help you enjoy your outdoor spaces
- **Choose full sun or total protection at the touch of a button**
  Feel up to 20 degrees cooler, while blocking 98% of UVA & UVB rays
- **Custom built features without the custom-built price**
  Starts as low as $799
- **Installs easily in hours—** either DIY or through our nationwide network of professional installers
- **Full range of accessories available** to enhance your experience, including integrated LED lights
- **Up to 10-Year Limited Warranty**
  Built in America with high-quality materials and construction

The SunSetter® Advantage

When looking for the right shade solution for your home, go with quality—choose SunSetter. With SunSetter, you get easy-to-use technology and top-quality products from the leading shade solution provider in America for almost 40 years.

1 Optional front drop screen offers additional protection and privacy. Now available in coral white and new charcoal.

2 XL model arms provide shade coverage up to 13 ft., 1 in. from the home.

3 Optional integrated LED lights brighten up the night for more outdoor enjoyment.

4 Motorized models have built-in Somfy® motor for easy remote operation and smart home integration.

5 Chose straight or wave valance style.

STRAIGHT WAVE

6 Frame brackets, bars and arm clamps are made from high-quality aluminum with a baked-on enamel finish that never rusts or needs painting.

7 White, cream, or bronze frames available.

WHITE CREAM BRONZE*

8 Manual override allows awning to be closed or opened even when the power is out.

9 Optional semi-cassette housing or aluminum hood protects awning fabric for reduced wear and tear.

HOOD SEMI-CASSETTE

Smart Options for Automated Protection

Optional wind and rain sensors help protect your awning from damaging weather.

Platinum Series

10 YEAR
Limited Warranty

Luxury meets function with our most premium line

- Engineered for durability, color retention, and easy cleaning.
- Features the most advanced technology: top-quality motors with wireless operation and optional LED lights that integrate perfectly with your smart home systems
- Available with **state-of-the-art semi-cassette housing** for year-round protection of your awning from dirt, ice, wind, and snow.

- Contemporary design, with the most on-trend fabric color options offered in both SunSetter® Performance Acrylic and Sunbrella® fabrics.
- Backed by our 10-Year Limited Warranty for the ultimate peace of mind.
- Dine al fresco in temperatures up to 20 degrees cooler—without worrying about passing showers or UV rays.
- Lower the temperature—and your energy bill—inside your home, while protecting carpet and furniture.

Our premium line. Two top-quality fabric options.

SunSetter® Performance Acrylic

SunSetter's premium fabric line features contemporary fabrics that are 100% solution-dyed for superior fade resistance. Water repellent, easy to clean, and mold- and mildew-resistant, these fabrics also block 98% of UV rays. Choose from 25 attractive options.

Sample Performance Acrylic fabrics. See the full selection on page 10.

sunbrella®

World-renowned for their unparalleled beauty and protection, Sunbrella® fabrics are engineered to last and boast all the same features as our Performance Acrylics. **Available in more than 100 fabric choices, including dozens of dealer-exclusive fabrics.**

Sample Sunbrella® fabrics. See the full selection on page 12.

Platinum Motorized

Instant vacation spot. Simple, effortless, and convenient to use, our motorized awnings let you enjoy unobstructed views, cool shade, and UV protection whenever—and however—you want. You can choose shade or sun in under 60 seconds with a simple touch of a button.

Premium Awning Accessories

ALL WEATHER
Limited Warranty

All-Weather Warranty

SunSetter offers the ultimate protection for your awning investment! Available as a 5- or 10-Year Warranty option, **this no-questions-asked coverage protects your awning not only from defects, but wind and weather damage as well.** No one else offers such an incredible level of protection. Take advantage of this opportunity to fully enjoy your outdoor oasis.

Integrated Dimming LED Lights

Energy-efficient, yet bright and durable, these lights are integrated into the awning's arms and can be controlled or dimmed with your awning's remote. You'll get more evening hours to relax under your SunSetter awning while enjoying a sleek, streamlined look during the day.

Weather Sensors

Wireless sensors are available for both wind and rain. These sensors automatically open and close your awning based on pre-determined standards. **No need to worry about the weather—the sensors are always on the lookout to protect your awning against damage from heavy winds and rain.** These sophisticated weather sensors are just another way SunSetter makes outdoor living easy.

Additional Awning Accessories

Patio Lights

Weatherproof, smoke-colored Lexan lights emit a lovely, diffused light over your deck or patio. Includes a set of 6. plus a stretch coil cord and 20 additional feet of cord between the plug and first light.

Front or Side Weatherbreaker Panels

Stay protected on all sides while you enjoy the outdoors. Blocks 85% of sun, wind and mist. Front and side panels sold separately. Available in Coral White or Charcoal.

Aluminum Hood

With a choice of either cream, white, or bronze to match your awning hardware, this hood provides a perfectly finished look, as well as exceptional protection for your fabric and motor.

Somfy® TaHoma switch

Control your awning and dim your LED Lights using your tablet, smartphone, or voice commands. Simply plug in the device, download the free app, and follow the setup wizard.

SunSetter® Mats

This rugged, mildew-, and flame-resistant floor mat adds style and comfort, while protecting your deck from furniture scuff marks, making it less slippery, and even protecting bare feet from splinters.

Available in three sizes: 9'x9'; 9'x12'; 9'x16'.

Awning Cover

This sturdy, cream-colored vinyl cover attaches over your awning when closed for protection from dirt, birds, rain, ice, and more.

Cleaning Kit

Includes a telescoping brush, two bottles of cleaning concentrate, a touch-up paint kit, and a fabric repair kit.

Committed to Quality

Relax—we've got you covered.

With SunSetter®, you get craftsmanship, durability, dependability—and a warranty to back it up.

- **North American-Built Quality**
  Our retractable awnings, EasyShade® exterior solar shades, and EasyScreen® retractable screens are assembled in North America under the strictest quality-control procedures
- **High-Quality Components**
  Most of our components are made from durable aluminum with a baked-on powder coat finish that never rusts or needs painting
- **Industry-Leading Motors**
  All motorized models come with Somfy motors—the industry leader in awning and screen motors for over 50 years
- **Low Maintenance**
  With our quality construction and durable materials, our products are designed to provide you with years of trouble-free shade
- **Warranty**
  Every SunSetter retractable awning, EasyShade exterior solar screen, and EasyScreen retractable screen come with limited warranties against defects in materials and workmanship. Warranty lengths vary by product but are up to 10 years. We even offer All-Weather Warranties for the ultimate peace of mind!
- **Latest Technology**
  SunSetter brings you innovative ways to control your awning and integrate it into your existing smart home system

10-Year Warranty. The Platinum Series offers our Performance Acrylic and Sunbrella® fabrics which are both backed by a 10-Year Limited Warranty.

5-Year Warranty. Our awnings come standard with a premium vinyl-coated polyester screen that blocks 90% of the sun, wind and mist, but still lets in light and air. These premium screens are backed by a 5-Year Limited Warranty. SunSetter Series Woven Acrylic and Laminated Fabric lines are also backed by a 5-Year Limited Warranty.
